A Grace Disguised

How the Soul Grows Through Loss by Jerry Sittser

Sooner or later all people suffer loss, in little doses or big ones, suddenly or over time, privately or in public settings. Loss is as much a part of normal life as birth, for as surely as we are born into this world we suffer loss before we leave it. This book shows how it is possible to live in and be enlarged by loss, even as we continue to experience it. ~Jerry Sittser.
