The Reed of God A Spiritual Classic by Caryll Houselander

First published over half a century ago, Caryll Houselander's *The Reed of God* is a spiritual classic that deserves to be rediscovered by a new generation of readers. Houselander's beautiful and profound mediation depicts the intimately human side of Mary, Mother of God, as an empty reed waiting for God's music to be played through her. She shares her insightful and beautiful vision of Mary as a confused but trusting teenager whose holiness flowered with her eternal "Yes."
