

# Discovering Your Spiritual Career Path an introductory workshop

**Saturday, August 27, 10 a.m.–noon**

In this introductory workshop we will explore how listening to your intuition, working with silence and daily practices can assist us to be more in alignment and open to our next steps in our career. You will learn aligning practices and strategies to develop an ongoing receptivity to your Spiritual Career. Come listen for how God is presenting new insights and nudges forward in your career or towards a transition type vocation.

Master Coach Cynthia H. Stringer is trained in energy psychology, has been a practicing life and career coach for over 25 years, has been an ordained interfaith minister since 2000 and is currently enrolled in the Journey Center's Spiritual Direction program.
