

Dream Circle

Exploring Meaning of Dreams in Community

Free informational meeting March 8, 6:30 - 8:30 p.m.

Group meets Wednesdays,
March 29 - April 26, 6:30 - 8:30 p.m.

This five-week cycle will hold a space in which to build trusting rapport as we enter together into the sacred mystery of our dreams. We will open ourselves to our dreams with a short teaching followed by a spiritual practice.

In this confidential group, we will then gently share and hold one another's dreams as we expand and notice the movements of God in our dream material.

Facilitated by Gretchen Daniels, MDiv. and Spiritual Director.

Cost: \$15 per session.
