

# The Enneagram Series - *for those Familiar*

## Enneagram

The Enneagram is a nine-point diagram that refers to nine basic personality types with distinct patterns of thinking, feeling and acting. This ancient tool can be used for personal and relational transformation.

### “Going Deeper” with the Enneagram Group

**Monday evenings, January 5 & February 2, 6:30–9 p.m.**

This group is for those who have taken Wagner’s WEPSS inventory or the Riso-Hudson Enneagram Type Indicator and know their Enneagram scores for all nine styles.

We gather to enjoy teaching on a topic related to the Enneagram and participate in experiential exercises and discussion that will take us deeper into an understanding of God, ourselves and others.

Cost: \$15 per person, \$25 per couple (two people who attend together) or \$10 per person if you bring a group of 4 or more.

Pre-registration is required.

This workshop is held at the Journey Center (1601 4th St.) in Santa Rosa.
