Kid Street Learning Center
3rd & 4th Graders Quilt Project

Help at-risk children at Kid Street create a beautiful quilted pillow for themselves!

Participants will learn the basic principles of quilting and how to volunteer in positive, helpful ways with kids who face extra challenges in life. Together we will teach the kids how to design and sew an individual quilted pillow—a personal treasure to use in the classroom, then have at home.

Kid Street School is a non-profit public charter school serving some of our most vulnerable grade school children in Sonoma County.
