SUNDAYS

Sundays, March 17, April 7, May 5

6:30–8 p.m.

FREE

Have you ever wanted to come to
The Journey Center to enjoy the
space but you are not available
during the weekdays?

Come join Julie Miller (Spiritual Director & naturalist) who will be offering a contemplative reading of a piece of literature focused on the ways we encounter The Holy in nature. Julie will introduce the author and read, and we will have time for discussion and reflection our own responses to the passage.
