

# Praying with Icons: God's Storybooks

Saturday, February 3, 9 am - noon

Join Spiritual Director Kateri Carraher to learn about the ancient practice of praying with icons. An icon guides the viewer to more than its subject matter; it's a prayer experience where you are visually led to enter God's word.

This workshop will give you a new spiritual perspective on the people and events of the Bible using this timeless practice. You will have the opportunity to reflect and share how exploring this practice helps you seek communion with the Holy One.
