

THE SEDER EXPERIENCE (WORKSHOP)

Tuesday, March 19, 7-9 p.m., and
Sunday, March 24, 6-9 p.m.

Learn about and then participate in the Passover Meal, known as the Seder.

Tuesday, March 19: View and discuss an educational video that describes the history and details of the Seder. With the story of how Moses led the people of Israel out of bondage from Egypt, this ancient Jewish rite celebrates freedom of all peoples, peace, and God's promise of the Messiah.

Sunday, March 24: Participate in the Seder meal. Experience together the special foods required to be eaten, the 4 required cups of wine, singing, celebrating, and eating.

This workshop experience is facilitated for us by Sylvan Eidelman, a member of the Jewish community who loves the Seder meal and wants to share it with us.

Cost: \$25 individual or \$45 for two.

Limited spaces available.

Registration is required.
