

## Experience the Camino de Sonoma Pilgrimage

***Camino de Sonoma (Sonoma County, northern CA): Spiritually significant, Culturally compelling, Breathtakingly beautiful***

Camino de Sonoma is a 72-mile pilgrimage which begins at Mission San Francisco Solano in the city of Sonoma and ends at Holy Trinity Chapel in Fort Ross, on the coast. The path was “discovered” (revealed by the Spirit!) while researching the history of the area. A core group of volunteers have been developing this pilgrimage path and a growing number of individuals and groups are experiencing it.
