

A CHRIST-CENTERED SPIRITUAL DIRECTOR FORMATION PROGRAM

In early 2022, two cohorts will begin the Journey Center Association's two-year spiritual director formation program in two Bay Area locations (Livermore- January 2022; Santa Rosa- March 2022). Up to 20 applicants will be accepted into each formation group.

PROGRAM DETAILS:

1. Combining virtual and face-to-face components, the experience of shared community is an essential part of the formation journey.
2. Thorough formation, training and supervision in the theory and practice of contemplative models of individual and group spiritual direction, and contemplative retreat leadership.
3. The first six months of the program have a focus on *discernment*...each participant will journey more deeply into contemplative formation, prayer, deep listening and encounter with the Holy. They will also engage in a process of clarifying and confirming their calling to continue in the program and enter into formation as a spiritual director. *The initial commitment is for this discernment period only.* (Commitment to the entire program is made after discernment, at the end of the first six months).
4. The training is Christ-centered: we use the Old and New Testaments as our sacred texts and teach ancient and modern spiritual practices from the Christian tradition. Applicants from ALL faiths and spiritual paths are welcome; there is a historical tradition of spiritual directors being trained where the roots of spiritual direction are found (Christianity) and then taking the gifts of spiritual direction back to their own faith communities.
5. Although each participant will be *required* to meet monthly with a spiritual director of their own choosing starting no later than 6 months before the start date of the program, we *highly recommend* that applicants begin meeting with a spiritual director now, if they are not already doing so.

FACULTY/STAFF:

- Our Spiritual Director formation program was birthed in 2009 by Helen Cepero and Joanna Quintrell, who continue to serve on the staff at both locations.
- We have developed a shared leadership model with general and specific responsibilities based upon the giftings, experiences and passions of the leadership team in place at each location.
- During the course of this formation program, participants will be blessed by our great staff members who serve as coaches, facilitators, teachers and supervisors; they are seasoned spiritual directors and wonderful people! All staff members are trained/certified spiritual directors and supervisors.
- See the Journey Center Association website for staff bios (coming soon).
